distribution per unit for the fiscal period ended December 31, 2007 will differ by more than 5% from the previous forecast announced on August 20, 2007. The revised forecast is based on an expected increase in operating revenue compared with the forecast made at the beginning of the current fiscal period, as well as anticipated decreases in such expenses as rental expenses and interest payments.

Notes:

1. The aforementioned forecasts are current as of the date of this release. Accordingly, actual distributions per unit are subject to change. On this basis, MID REIT does not guarantee payment of the forecast distribution per unit.
2. MID REIT reserves the right to revise the aforementioned forecasts in the event that a significant discrepancy between actual results and forecasts is anticipated.
3. Amounts below the specified unit are rounded down. Percentage figures are rounded to the nearest first decimal place.
